Welcome to the April 2022 Issue of the WTCA's "Around the WTCA Network" monthly e-newsletter featuring Member-submitted stories with updates on what is happening around the globe, upcoming events and WTCA Member anniversaries being celebrated.

Separately, a few exciting updates from the WTCA team:

- **Register Now: 2022 WTCA General Assembly (GA)** – the 2022 WTCA GA will **focus on business opportunities in Africa with a 100% virtual event**, featuring two half-days of livestream programming and a week of B2B networking opportunities across all time zones, via a complimentary Artificial Intelligence (AI)-powered

matchmaking platform. The virtual business conference will be held April 18-22, 2022.

- **World Trade Week NYC 2022** – the WTCA is a co-chair for this year’s World Trade Week NYC (May 1-31), and WTCA Executive Director-Business Development Robin van Puyenbroeck will be presenting the annual International Achievement Award to a company in the New York region that has had extraordinary success in international markets during the **kick-off event on Thursday, May 5 at 14:00 EDT**. The event will be livestreamed globally – for more information and to register, click [here](#).
- **WTCA Market Access Program:** We recently announced the WTCA Market Access Program **with initial focus on the Asia-Pacific region** to provide WTCA Members with more concrete benefits for their local business community, providing opportunities and enhanced access for their business members to enter into the market through featured events. The pilot program will feature three trade shows/events that are either hosted or supported by WTC Kuala Lumpur, WTC Mumbai and WTC Metro Manila:
 - **IMEX 2022, supported by WTC Kuala Lumpur** (to be held May 31 – June 2, 2022 virtually and in Frankfurt, Germany). IMEX set up 2 registration groups for WTCA Members and their businesses: an international group for buyers outside of Europe (Asia and the U.S.) and a European group. You can find more details by clicking [here](#).
 - **Connect India trade show, hosted by WTC Mumbai** (to be held August 1 – December 3, 2022 via online B2B trade show and virtual meetings, and in Mumbai, India)
 - **PHILCONSTRUCT trade show, supported by WTC Metro Manila** (to be held November 3-6, 2022 virtually and in Metro Manila, Philippines)
- **The Business Club MAC wants to hear from you!** The MAC is developing a more cohesive WTC Business Club model for [increased global recognition](#). Whether you have a WTC Business Club, or are interested to launch one, please take this brief survey. Your responses will help the MAC to better understand the relevance of a Business Club in adding value to your World Trade Center business. The survey can be found here: <https://www.surveymonkey.com/r/VGZ53VK>.
- **The 2021-2022 WTCA Foundation (WTCAF) “Peace Through Trade” Student Competition** – the **deadline for the 3rd edition of the annual student competition has been extended to Thursday, June 30, 2022 at 11:59 p.m. EDT**. New this year, in collaboration with the [United Nations Academic Impact \(UNAI\)](#), we have expanded the reach of the program to be open to the UNAI’s vibrant and diverse network, as well as the general public of student groups to increase participation in the competition and align with our participation efforts in the UN Global Compact. Visit the [WTCAF Student Competition website](#) for more information.

Lastly, we encourage all Members to continue to submit their conferences, networking events, educational events, trade shows/exhibitions and trade missions to be included in the [WTCA Global Events Calendar](#) via the WTCA Digital Platform. For questions, please reach out to newsletter@wtca.org.

Sincerely,
The WTCA Editorial Team
