Welcome to the special July/August 2022 Summer Double Issue of the WTCA's "Around the WTCA Network" monthly e-newsletter featuring Member-submitted stories with updates on what is happening around the globe, upcoming events and WTCA Member anniversaries being celebrated.

Separately, a few exciting updates from the WTCA team:

- **Congratulations to our two new Premier Accredited World Trade Center Members – WTC Denver and WTC Savannah!** Following the pilot of the WTCA Accreditation Program, these two WTC businesses join WTC Gibraltar, Metro

Manila, Santiago and Toronto to be recognized in this special ranking to serve as role models to inspire others. This great achievement demonstrates that these WTC businesses meet the WTCA quality standards and provide exceptional services, embodying the very best of the WTCA. We are convinced that serving as a role model will inspire others.

- **WTC Denver with specializations in Trade Development and Business & Member Services.** Since offering their services and facility in 1989, WTC Denver has been an active WTCA Member providing exceptional trade development services and business/member services – including international trade programs, workshops, seminars and trade missions – to both its community and fellow WTCA Members. There are clear programs and services in place, and there is no doubt this same level of excellence will be carried and expanded over new business lines into WTC Denver’s new campus facilities once completed in 2024.
- **WTC Savannah with specializations in Trade Development and Business & Member Services.** An active WTCA Member since 2011, WTC Savannah has contributed to the overall WTCA Membership in reciprocity, trainings and active participation in Member programs. With signature events such as the annual “Prosperity Through Trade Luncheon” drawing 500+ people and supporting young entrepreneurs as winners of the WTCAF Peace Through Trade Student Competition, WTC Savannah is driving the conversation on international trade and has an impressive track record of bringing delegations and companies alike to Savannah and creating an excellent investment climate.
- **Apply today to get your World Trade Center business Accredited or Premier Accredited via the revamped WTCA Accreditation Program.** Accredited members will receive an accreditation plaque, digital logo, accreditation certificate, and other marketing tools including letters of recognition to your Mayor's office and other officials, partners, and clients you would like to inform regarding your award on behalf of Mr. John E. Drew and Mr. Robin van Puyenbroeck.
 - **How to Apply**
 - Conduct a self-evaluation using the checklist located on the WTCA Resource Center [here](#)
 - Review the Accreditation Applicant Guide [here](#)
 - Contact accreditation@wtca.org to start the application process.
 - NOTE: Applications will be accepted on a first come first serve basis – click [here](#) to view the recording of the Accreditation presentation from the 2021 WTCA Member Forum and learn how to get started in the Accreditation process.
- **Check out the latest episodes on the [WTCA Trade Wins Podcast](#) – “A Diplomat’s Journey Promoting Trade with Ambassador Louise Blaise”** on her diplomatic service for the United Nations, Canadian trade, and the problematic areas in today’s environment; “[An American Story Towards Leadership of the Port of New York and New Jersey with Port Director Bethann Rooney](#)” on the dramatic increase of cargo

during the pandemic, how small issues have a big impact in supply chain management, and the fluid flow of logistics within the industry; and “[Success Stories from the 2021-2022 WTCA Champions Award Winners with Karen Gerwitz, Freerk Faber, EJ Schouwstra, Leigh Smout and Tim Nowak](#)” on what it means to be a winner, what makes each of their World Trade Centers unique, perspectives on global trade, and more.

- **Learn how to make money from matchmaking services!** Hosted by the Trade Services EMEA and Americas MACs, this Zoom call will feature testimonials from 3 Members with different matchmaking models that work for them. This meeting will take place Tuesday, September 6 at 10:00 EDT / 16:00 CEST and is open to all WTCA Members. To receive the calendar invite, Zoom details and post-meeting recording, email Crystal Edn at cedn@wtca.org.
- **WTCA Prime Office Index LatAm Report (June 2022)** – The WTCA and World Trade center businesses in LatAm have published the 4th edition of the report. In collaboration with *Latin Trade*, the report measures the expectations of experts on the behavior of occupancy, sale and rental prices in “prime” office buildings in the region. To learn more and view the full report, click [here](#).
- **WTCA Market Access Program:** We previously announced the WTCA Market Access Program **with initial focus on the Asia-Pacific region** to provide WTCA Members with more concrete benefits for their local business community, providing opportunities and enhanced access for their business members to enter into the market through featured events. The pilot program features three trade shows/events that are either hosted or supported by WTC Kuala Lumpur, WTC Mumbai and WTC Metro Manila. Information on the two upcoming programs are below:
 - **Connect India trade show, hosted by WTC Mumbai** (to be held August 1 – December 3, 2022 via online B2B trade show and virtual meetings, and in Mumbai, India)
 - **PHILCONSTRUCT trade show, supported by WTC Metro Manila** (to be held November 3-6, 2022 virtually and in Metro Manila, Philippines)

****Please note that the WTCA editorial team will take a brief break for the summer to allow for additional submissions in the September 2022 issue of the “Around the WTCA Network” e-newsletter. As such, the next deadline for submissions will be scheduled for Friday, September 9, and the issue will be distributed the following week of September 12.****

Lastly, we encourage all Members to continue to submit their conferences, networking events, educational events, trade shows/exhibitions and trade missions to be included in the [WTCA Global Events Calendar](#) via the WTCA Digital Platform. For questions, please reach out to newsletter@wtca.org.

Sincerely,
The WTCA Editorial Team
